COURSE INFORMATION SHEET

University: Catholic University in Ružomberok					
Faculty: Faculty of Education					
Course code: KKPT/Nv-BD120A/22		Course title: Auditory Practice			
Type and range of planned learning activities and teaching methods: Form of instruction: Seminar Recommended study range: hours weekly: 1 hours per semester: 13 Teaching method: on-site					
Credits: 2		Working load: 50 hours			
Recommended semester/trimester: 5.					
Level of study: I.					
Prerequisites:					
Requirements for passing the course: Participation in the teaching practice, completed and handed in written documentation, handing in the teaching diary. The evaluation is awarded by the head of the teaching practice on the basis of the submitted portfolio from the professional teaching practice and its defence during the colloquium.					
Learning outcomes of the course: Aim of the course: the teaching practice takes the form of pedagogical-psychological observations. Its aim is to teach students how to observe, analyse and record in hospital records and pedagogical diaries the pedagogical and psychological aspects of the educational process. Students observe the teacher's work in the classroom, the work and the curriculum, the choice of methods and means, and also the level of management of the pupils' learning and cognitive activity. While observing, students also notice the way of evaluation of pupils' performances. In cooperation with the trainee teacher, they analyse the lesson. lessons and the student develops a pedagogical diary.					
Course contents: 1. Formative component of the teaching process. 2. Theme, goal, content, methods of the teaching process. 3. Lessons and outcomes of lessons. 4. Learning the analytical structure of the teaching process.

COURSE INFORMATION SHEET

University: Catholic University in Ružomberok	
Faculty: Faculty of Education	
Course code: KKPT/Nv-BD101C/22	Course title: Biblical Geography and Archaeology
Type and range of planned learning activities and teaching methods: Form of instruction: Seminar Recommended study range: hours weekly: 1 hours per semester: 13 Teaching method: on-site	
Credits: 1	Working load: 25 hours
Recommended semester/trimester: 2.	
Level of study: I.	
Prerequisites:	
Requirements for passing the course: Verification of the degree of acquisition of the relevant knowledge, skills and competences of the student is carried out on the basis of practical examinations during the semester teaching of the subject. During the semester, the student demonstrates his/her theoretical knowledge and practical skills through active work in the classroom, which will consist of independent or group work on tasks assigned by the lecturer. At the end of the semester, the student will demonstrate knowledge of a map of ancient Israel and the Mediterranean area of the New Testament period. In the case of distance learning, students will present their output through the MS Teams application, which will also be used to verify their knowledge of the map. Final assessment: active class work (90%) and knowledge of the map (10%). Course evaluation: A - 100%-93% B - 92%-85% C - 84%-77% D - 76%-69% E - 68%-60% Fx - 59%- 0%	
Learning outcomes of the course: The aim of the course is to provide students with a basic theoretical knowledge of the geography and archaeology of the regions associated with biblical history, thus ensuring a better orientation to biblical realities and a better perception of biblical subjects. Learning outcomes (knowledge, skills and competences): - The student knows the basic geographical characteristics of the regions associated with the biblical history of the Old and New Testaments; - the student knows the most important archaeological discoveries associated with the territory of biblical Israel; - the student is able to navigate on a map of ancient Israel and the Mediterranean region of the 1st century AD; - the student has an overview of the biblical realities behind the biblical tradition;	

- The student can follow lectures and read literature in the field of biblical studies with understanding;
- the student is able to apply the knowledge acquired in interpretive work with the texts of the Old and New Testaments;

Course contents:

1. Source Materials and Tools of Biblical Geography
2. Geography of Mesopotamia
3. Geography of Egypt
4. Geography of Palestine I. (size and character; climate; Transjordan; Jordan Basin; Sea of Galilee; Dead Sea; Araba)
5. Geography of Palestine II (Maritime plains; central part of Palestine; Jerusalem)
6. Characteristics of the most important centres of the Roman Empire
7. A brief history of biblical archaeology
8. Archaeological methods
9. Key biblical archaeological finds from prehistory
10. Key biblical archaeological finds from the Bronze and Iron Ages
11. Key biblical archaeological finds from the Babylonian captivity to Herod the Great
12. Key biblical archaeological finds of the New Testament period
13. Qumran archaeological excavations

COURSE INFORMATION SHEET

University: Catholic University in Ružomberok	
Faculty: Faculty of Education	
Course code: KKPT/Nv-BD102C/22	Course title: Biblical Greek 1
Type and range of planned learning activities and teaching methods: Form of instruction: Seminar Recommended study range: hours weekly: 1 hours per semester: 13 Teaching method: on-site	
Credits: 1	Working load: 25 hours
Recommended semester/trimester: 3.	
Level of study: I.	
Prerequisites:	
Requirements for passing the course: Verification of the degree of acquisition of the relevant knowledge, skills and competences of the student is carried out on the basis of theoretical and practical examinations during the teaching period. During the semester, the student demonstrates his/her theoretical knowledge of the subject content in the form of four written tests. The student demonstrates practical skills regularly in class work and in the completion of homework. The student demonstrates proficiency in reading biblical texts written in the koine dialect during the examination period. In the case the instruction will be conducted by distance learning, the verification of knowledge and skills will be done through video calls (MS Teams). Tests and homeworks will be sent to the student electronically and then submitted to the instructor electronically. Evaluation will be done orally during classes. The marked tests will be available for viewing by the instructor. Final assessment: written tests (76%), active work of the student in class (12%), homework (12%). Successful completion of the course is dependent on passing an oral test verifying proficiency in reading of the Greek text. Course evaluation: A - 100%-93% B - 92%-85% C - 84%-77% D - 76%-69% E - 68%-60% Fx - 59%- 0%	
Learning outcomes of the course: The aim of the course is to provide basic theoretical knowledge of the rules of reading, selected grammatical categories of Biblical Greek (inflection of nouns and verbs in the present tense; adjectives, personal and possessive pronouns), and to impart key practical skills for autonomous work with New Testament texts written in the Koine dialect, as well as with literature in the field of biblical studies. Learning outcomes (knowledge, skills and competences): - students know the Greek alphabet and the rules for reading Biblical Greek;	

- students have an overview of the basic grammatical phenomena of Biblical Greek (inflection of nouns of 1st and 2nd declension; inflection of verbs in the present tense; adjectives and their function; personal and possessive pronouns);
- students are familiar with the basic vocabulary of Biblical Greek;
- students can read any New Testament text written in Biblical Greek;
- students can recognize the basic grammatical phenomena of Biblical Greek (cases of nouns in the 1st and 2nd declensions; the different categories of verbs in the present tense; adjectives; personal and possessive pronouns);
- students are able to translate simple sentences from Biblical Greek into Slovak;
- students are capable of working independently with specialist literature in the field of biblical studies.

Course contents:

1. A brief history of Ancient Greek (koine dialectos);
2. Greek alphabet, rules of pronunciation and reading;
3. Noun and definite article;
4. The declension of nouns of the II. declension;
5. The verb "to be";
6. Adjective and its function;
7. Indicativus et infinitivus praesentis activi ;
8. Declension of nouns of the I. declension;
9. Personal and possessive pronouns;
10. Contracted verbs (verba contracta);
11. Verbs of the second conjugation;
12. Indicativus et infinitivus praesentis medii-passivi;
13. Imperativus praesentis activi.

Prerequisites:	
Requirements for passing the course: Verification of the degree of acquisition of the relevant knowledge, skills and competences of the student is carried out on the basis of theoretical and practical examinations during the teaching period. During the semester, the student demonstrates his/her theoretical knowledge of the subject content in the form of three written tests. The student demonstrates practical skills regularly in class work and in the independent completion of homework. The student demonstrates proficiency in reading biblical texts written in the koine dialect during the examination period. In the case where the instruction will be conducted by distance learning, the verification of knowledge and skills will be done through video calls (MS Teams). Tests and homework assignments will be sent to the student electronically and then submitted to the instructor electronically. Evaluation will be done orally during class. Graded tests will be available for review by the instructor. Final assessment: written tests (77%), active work of the student in class (12%), homework (11%). Successful completion of the course is conditional on passing an oral test verifying the student's ability to read the Greek text. Course evaluation: A - 100%-93% B - 92%-85% C - 84%-77% D - 76%-69% E - 68%-60% Fx - 59%- 0%	
Learning outcomes of the course: The aim of the course is to provide basic theoretical knowledge of selected grammatical categories of Biblical Greek (inflection of nouns, conjugation of verbs in the present tense and in the aorist, relative pronouns, demonstrative pronouns) and to impart key practical skills for independent work with the texts of the New Testament written in the Koine dialect, as well as with specialized literature in the field of biblical studies. Learning outcomes (knowledge, skills and competences):	

- The student has an overview of the basic grammatical phenomena of Biblical Greek (inflection of nouns of the 3rd declension; conjugation of verbs in the present tense and in the aorist; relative pronouns; demonstrative pronouns);
- the student knows the basic vocabulary of Biblical Greek;
- the student is able to read any New Testament text in the original;
- the student is able to recognize the basic grammatical phenomena of Biblical Greek (nouns of the 3rd declension in different cases; different categories of verbs in the present tense and in the aorist; demonstrative and demonstrative pronouns in each case);
- the student is able to translate into Slovak less difficult New Testament passages written in Biblical Greek;
- the student is able to work independently with literature in the field of biblical studies.

Course contents:

1. Imperativus praesentis
2. Relative pronoun. Indicative pronouns
3. Nouns of III. declension
4. Participium praesentis activi
5. Participium praesentis medii et passivi
6. Indicativus aoristi activi - sigmatic aorist
7. Indicativus aoristi activi - asigmatic aorist
8. Indicativus aoristi passivi
9. Imperativus aoristi activi

Successful completion of the course is conditioned on passing an oral test verifying proficiency in reading the biblical text in Hebrew. Course Evaluation: A - 100%-93% B - 92%-85% C - 84%-77% D - 76%-69% E - 68%-60% Fx - 59%- 0%	
Learning outcomes of the course: The primary objective of the course is to provide basic theoretical knowledge of Hebrew verbs (conjugating of the regular verbs of qal conjugation in qatal and jiqtol, the formation of the active and passive participle, the forms of the absolute and construct infinitive, the imperative, the cohortative, and the jussive of the regular verbs of qal conjugation), and to impart key practical skills for independent work with the Hebrew texts of the Old Testament, as well as with the specialized literature in the field of biblical scholarship. Learning Outcomes (Knowledge, Skills and Competencies): - The student knows the basic characteristics of Hebrew verb;	

- the student has an overview of conjugating of regular verbs of qal in jiqtol and qatal;
- the student knows the rules for the formation of the active and imperfect participles, the forms of the absolute and the construct infinitive, the imperative, the cohortative and the jussive of regular verbs of qal conjugation;
- the student knows the rules of attaching suffixes to nouns and prepositions;
- the student has an overview of Hebrew constructions expressing presence and possession;
- the student knows the basic vocabulary of biblical Hebrew;
- the student is able to read any Hebrew text of the Old Testament;
- the student is able to recognize in the text the basic verbal categories of Biblical Hebrew (regular verbs of qal conjugation in jiqtol and qatal, active and passive participles, absolute and construct infinitive, imperative, cohortative and jussive forms of regular verbs of qal conjugation), expressions containing suffixes, constructions expressing presence and possession;
- the student is able to translate simple sentences and smaller passages of biblical Hebrew texts into Slovak;
- the student is able to work independently with specialized literature in the field of biblical studies.

Course contents:

1. Qatal of regular verbs (qal conjugation)
2. Feminine nouns with suffixes
3. Indicative pronouns
4. Nouns and passive participles
5. Plural of nouns with suffixes
6. Separable and inseparable prepositions with suffixes
7. Hebrew constructions expressing presence and possession
8. Jiqtol regular verbs (qal conjugation)
9. Imperative. Negative command.
10. Hebrew infinitive
11. Cohortative, jussive

COURSE INFORMATION SHEET

University: Catholic University in Ružomberok	
Faculty: Faculty of Education	
Course code: KKPT/Nv-BD100A/22	Course title: Biblical Theology 1
Type and range of planned learning activities and teaching methods: Form of instruction: Lecture Recommended study range: hours weekly: 2 hours per semester: 26 Teaching method: on-site	
Credits: 2	Working load: 50 hours
Recommended semester/trimester: 1.	
Level of study: I.	
Prerequisites:	
Requirements for passing the course: Verification of the degree of acquisition of the relevant knowledge, skills and competences of the student is carried out on the basis of theoretical and practical examinations during the semester teaching of the subject. After the completion of the topic "Historical Framework of the Holy Scriptures", a mid-term assessment will be carried out during the semester by means of a written test aimed at checking the acquired knowledge of historical events closely related to the content of the biblical books. Finally, an oral examination will be conducted to verify the knowledge, skills and competences acquired by the students. Course Assessment: A - 100%-93% B - 92%-85% C - 84%-77% D - 76%-69% E - 68%-60% Fx - 59%- 0%	
Learning outcomes of the course: After completing the course, the student will acquire the following knowledge, skills and competences: - the student knows the basic terminology associated with Holy Scripture and its study, understands the proper meaning of the terminology and uses it correctly, - the student can reproduce the basic knowledge of the historical framework of the Bible and can read the biblical text with understanding in the light of this knowledge - the student can state the basic principles and phases of the formation of the Old and New Testaments and explain the importance of the correct diachronic placement of the text for its understanding; - the student can reproduce the basic stages in the formation of the canon of Holy Scripture; he/she can distinguish between the Catholic and Protestant canons of the Bible and explain the reasons for the differences - the student can independently explain the concept of the inspiration of Scripture in its theological, interreligious and spiritual dimensions	

Course contents:

1. Basic Terminology and Division of the Holy Scriptures
2. Holy Scripture as a witness to God's revelation
3. Historical framework of Holy Scripture
4. The origin of the biblical text - the way the text was written in Antiquity and the characteristics of the languages of the original biblical text
5. The origin of the books of the Old Testament
6. The origin of the books of the New Testament
7. The formation of the biblical canon
8. The concept, nature and character of inspiration of the Holy Scriptures
9. Consequences of the Inspiration of Holy Scripture - The Truth and Holiness of Holy Scripture

COURSE INFORMATION SHEET

University: Catholic University in Ružomberok	
Faculty: Faculty of Education	
Course code: KKPT/Nv-BD104A/22	Course title: Biblical Theology 2
Type and range of planned learning activities and teaching methods: Form of instruction: Lecture Recommended study range: hours weekly: 2 hours per semester: 26 Teaching method: on-site	
Credits: 2	Working load: 50 hours
Recommended semester/trimester: 2.	
Level of study: I.	
Prerequisites:	
Requirements for passing the course: Verification of the degree of acquisition of the relevant knowledge, skills and competences of the student is carried out on the basis of theoretical examinations during the period of teaching and during the examination period. During the semester, the student demonstrates his/her knowledge of the content of the key Old Testament texts (Pentateuch and other historical books) by means of two written tests. Completion of the tests is a prerequisite for admission to the final examination. In the examination period, the student demonstrates the acquired knowledge and skills in the form of a written test. In the case of distance learning, the tests will be conducted via the moodle platform and the final exam will be conducted orally via video chat (MS Teams). Final assessment: a passing grade on the Bible content tests (10%) and a result of the final test (90%). Course evaluation: A - 100%-93% B - 92%-85% C - 84%-77% D - 76%-69% E - 68%-60% Fx - 59%- 0%	
Learning outcomes of the course: The aim of the course is to provide a basic theoretical knowledge of the historical books of the Old Testament (the Pentateuch and other historical books) and to impart key practical skills to ensure an adequate presentation of biblical issues during the teaching of the subject of religious education (Catholic) in primary and secondary schools. Learning outcomes (knowledge, skills and competences): - Students know the basic historical, literary and theological characteristics of the Pentateuch (including the individual books of the collection) and the other historical books of the Old Testament; - student have an overview of the content of the key texts of the Pentateuch and other historical books of the Old Testament;	

- students can apply knowledge of the historical books of the Old Testament in the process of teaching the subject of religious education;
- students are able to interpret the Old Testament texts of the historical books of the Old Testament with the help of specialized literature in the context of the school teaching process.

Course contents:

1. Introductory remarks on the Pentateuch;
2. The question of the authorship and origin of the Pentateuch;
3. The structure and contents of the book of Genesis;
4. The structure and content of the book of Exodus;
5. The structure and content of the books of Leviticus and Numbers;
6. The book of Deuteronomy;
7. Deuteronomistic works (Book of Joshua; Book of Judges);
8. Deuteronomistic work (Books of Samuel; Books of Kings);
9. 1-2 Chronicles;
10. The work of Ezra-Nehemiah;
11. Historical-didactic books (Ruth, Tobit, Judith, Esther);
12. The Books of Maccabees.

University: Catholic University in Ružomberok	
Faculty: Faculty of Education	
Course code: KKPT/Nv-BD102B/22	Course title: Old Testament Seminar
Type and range of planned learning activities and teaching methods: Form of instruction: Seminar Recommended study range: hours weekly: 2 hours per semester: 26 Teaching method: on-site	
Credits: 2	Working load: 50 hours
Recommended semester/trimester: 2.	
Level of study: I.	
Prerequisites:	
Requirements for passing the course: Verification of the degree of acquisition of the relevant knowledge, skills and competences of the student is carried out on the basis of practical examinations during the semester teaching of the subject. During the semester, the student demonstrates his/her knowledge and skills through active work in class, which will consist of independent or group work on tasks assigned by the lecturer. An additional way of verifying the acquisition of knowledge and skills will be the preparation by the student of 1 written work on the assigned topic. In the case when the course will be taught by distance learning, the work will be sent to the lecturer electronically. The assessed work will be available for inspection by the tutor. Final assessment: active class work (80%) and written work (20%). Course evaluation: A - 100%-93% B - 92%-85% C - 84%-77% D - 76%-69% E - 68%-60% Fx - 59%- 0%	
Learning outcomes of the course: The aim of the course is for students to acquire the scientific method of treatment of the chosen topic and to be able to use it in practical circumstances of the teaching process. Learning outcomes (knowledge, skills and competences): - The student knows the content, message, basic literary motifs, and specifics of selected texts and longer, coherent sections of the Pentateuch; - the student has an overview of the procedures of narrative analysis of the biblical text; - the student is able to apply theoretical knowledge of the methods of working with the Holy Scriptures to the analysis of the message of specific biblical fragments; - the student is able to gain insight into the important themes of selected biblical texts through content analysis and the study of specialized literature.	
Course contents:	

1. The message of the creation of the world in the light of the book of Genesis; 2. The process of selections within the Pentateuch; 3. The lives of the patriarchs: history and theology; 4. Narrative analysis of the Abraham cycle (Gen. 12-25); 5. The dynamics of Abraham's faith in Gen 22; 6. The coming of age to the brotherhood of Joseph and his brothers (Gen 37); 7. Moses as God's servant; 8. the identity of Israel as a covenant people (Ex 19; 24); 9. The theology of the Torah in the book of Deuteronomy; 10. The theology of the Promised Land in the book of Joshua; 11. The objectives of the Samson narrative (Judg. 13-16); 12. The test of Elijah's faith on Mount Horeb (1 Kings 19).
